ELECTRONIC CONTROL BOARDS FOR FIBER OPTIC

054595	Standard electronic control for fiber optic instruments with regulator of the light intensity and time regulator power off prolonged	105,00
054616	Miniature electronic control for fiber optic instruments with regulator of the light intensity	80,00

COMPONENTS FOR FIBER OPTIC CIRCUIT

054614	Potentiometer 1 Kohm (for light intensity - item 054616)	10,50
054597	Potentiometer 10 Kohm (for light intensity - item 054595)	10,00
054598	Potentiometer 1 Mohm (for time regulator power off prolonged - item 054595)	10,00
224331	Electropneumatic switch	20,00
250106	3 Ways nylon connection for internal tube Ø 1,6 mm	1,00
250123	3 Ways metal connection: 2 Ways for internal tube Ø 2,6 mm and 1 Way for internal tube Ø 1,6 mm	11,00

SILICONE CABLES FOR TURBINE HANDPIECES

Special colors are subjected to extra charges.

The minimum amount to invoice is of Euro 104,00.

The delivery time stated on the document has to be intended as an estimation and not as a commitment of Faro. In case of any delay this will never represent a breach to contracts or obligation to any reimbursement. Any terms for mandatory delivery has to be clearly agreed in writing by the parties.

Any delay in payment of the invoice will cause the debit of interests according to the legislative decree.

FARO reserves the right not to accept any return of material if not previously authorized. Any return authorization has to be required within 8 days upon the receipt of goods.

Any material returned without authorization will be rejected at the customer's charges.

FARO reserves the right to accept or not the return of material.

Material to return has to be packed into its original packing. The shipping document has to be filled in correctly with the indication of the purchasing details and the RMA (Return Material Authorization) number.

Goods to be repaired or replaced by our Authorized Technical Center need to be previously authorized with the release of an RMA according to the terms indicated in the RMA itself. The material has to be sent indicating on the shipping document the cause "Return for repair" and the RMA number.

Warranty will be recognized only upon the receipt of the relevant warranty certificate duly filled in within 60 days from the purchasing date.

All repairs will be returned by cash on delivery.

This price list can be modified at anytime.

This price list replaces and cancels any previous one.

For any claim, dispute, controversy arising in connection with the current price list, which cannot be satisfactorily settled by correspondence, we will refer to the Tribunal of Monza (MB) Italy.
